What is Kiwanis?

The Kiwanis Club of Tellico Village was Chartered in 1998. Members are dedicated to serving the children, the elderly and those in need in Loudon and surrounding counties.

As a Kiwanis member you have the opportunity to volunteer in many worthwhile service projects. Listed below are just a few of our

Reading and Tutoring

Assist elementary school teachers to improve reading skills of first and second grade students.

Back to School Gift Cards

Work with The Family Resource Center to identify disadvantaged children in our community providing them with a retail gift card enabling the student to purchase back to school clothing.

Worthwhile projects.

Amtryke

With the assistance of physical therapists, Kiwanis provides specially designed therapeutic tricycles for special needs children. These uniquely designed tricycles provide many benefits to these children including improved motor skills, strength development and self-esteem.

Terrific Kids

A program for elementary school students to help them understand the importance of personal citizenship.

So many volunteer opportunities too numerous to list.

Tea in The Neighborhood

Kiwanis women host a monthly tea for the ladies in assisted living at The Neighborhood. This program provides the residents an activity to deepen their relationships with staff, meet new people, share stories and laughter. A similar activity is also held monthly for the men at The Neighborhood. It's appropriately called Brew 'n' Bull.

Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.
